### Panyaden at a Glance

- Private, valued-based education for a sustainable planet.
- International focused curriculum
- Established in 2011
- 104 faculty members representing 17 nationalities.
- 405 students from Nursery to Year 13 representing 31 nationalities.

#### Class of 2023

8 students representing 6 nationalities.

### Academic Scholarships

We show our commitment to our Mission and Vision by providing academic excellence scholarships, which subsidise tuition fees. From Year 7 and up, students who are awarded academic scholarships are held to high standards, and are expected to demonstrate a sense of responsibility by being role models, student ambassadors and taking on leadership and mentorship roles.

### COVID-19 Updates

Throughout the pandemic, Panyaden students continued to receive high-quality education. From March 2019 to December 2021 through synchronous at home/online instruction. As of January of 2022 Panyaden International School has returned to regular on campus learning.

### Academics and Curriculum

Panyaden International School is an authorised IB World School offering the Diploma Programme. Students prepare for the IBDP in Year 10 and Year 11 following the Pre-IB curriculum. Year 12 and 13 students take the full IBDP, IB Courses or complete the Panyaden High School Diploma.

### Graduation Requirements

#### Panyaden High School Diploma Credits

The total of 38 credits are to be completed over 4 academic years.

- 8 credits of English
- 7 credits of Mathematics
- 7 credits of World Languages
- 7 credits of Science
- 6 credits of Social Studies
- 3 credits of Physical Education

#### IB Diploma Programme

All students, regardless of their curriculum choice, are expected to complete the Extended Essay, Theory of Knowledge and Creativity, Activity Service.

#### Thai Language

As a school licensed by the Ministry of Education of Thailand, all Thai students are required to study 4 hours of Thai Language and Culture per week. Non-Thai students are required to take 50 minutes of Thai Language and Culture per week.

### Activities and Athletics

Students at Panyaden International School are provided with ample opportunities to foster their current talents and develop new skills through programs designed to prepare them for their post-secondary plans. Students are encouraged to participate across a range of offerings that are; creative endeavors, athletic pursuits, intellectual interests, and passion projects. Throughout their tenure in secondary school, Panyaden International School students engage in leadership activities that include but are not limited to Buddhist Education, Model United Nations, World Scholar's Cup, Student Council, Service Learning, and The Duke of Edinburgh's International Award.
