Admissions Fee	THB 65,000 This fee is a once-only, NON-REFUNDABLE payment, payable when an offer of a place is made, prior to the student's first entry into school. Offers made will carry a due date for payment of the admissions fee and will lapse in the case of non-payment by this date. In this case, the place may be offered to other students on our waiting list.

Accepting a Place and Enrolment	Parents will receive an official email confirming the offer of a place at Panyaden International School and the invoice for tuition and fees, after which the parent will have seven (7) working days to complete the payment to secure a place and confirm the enrolment.

Other Fees

The following fees may not apply to all individuals depending on year level and their learning.

Language Support Services	English (EAL) THB 25,000 per term (charged for a maximum of 6 consecutive terms) Thai (TAL) THB 17,000 per term (charged for a maximum of 2 consecutive terms)
----------------------------------	---

Language Support Services are available for students who are not proficient in Thai and/or English and who are below the school's minimum requirement to access the curriculum successfully. Beginning in Year 2, EAL and TAL services are provided for a fee, payable one term at a time. EAL fees are applied for up to six (6) terms or three (3) academic years, and TAL services are charged for up to two (2) terms or one (1) academic year. The fee enables students to participate in the small group co-teaching instructional approaches that accelerate learning. If the school determines that intensive language support is needed for a child to access the learning, the programme is not optional.

Students will be assessed at regular intervals to determine if they are eligible to exit the language support programme. Please note that acquiring the academic language required to access the curriculum successfully takes longer than acquiring everyday social language.

Remark: EAL fees will not be collected for students who enrolled at school for more than six (6) consecutive terms, and TAL fees will not be collected for all Panyaden students who enrolled at school for more than four (4) consecutive terms. It is important to note that the school remains committed to regularly assessing each student's language proficiency to ensure their individual needs are met.

Uniform	All students must wear the Panyaden school uniform. Uniforms can be purchased at the school store. These fees are not included in the tuition fees.

Parents will be billed the costs of the IBDP examination fees in accordance with the courses that are selected for IB certifications. It is approximately THB 32,000. Students taking tests of English proficiency (TOEFL, IELTS) or SAT will be charged the actual cost plus an administration charge when they sit the exams.

Remark: The cost of the IBDP examination is according to IBO's announced rate and subject to currency exchange rate.

Courier/Postage Costs (Year 12/Year 13 students)

Payment Schedule

The tuition fees are payable on a termly basis and are invoiced in advance of each new term. Unless otherwise agreed, payment should be made by the due date stated on the invoice and laid out in the 'Payment Schedule' below to ensure the admission of students.

Payment Schedule	Term 1	Term 2
Invoice issued	15 May 2025	07 October 2025
Invoice payment due	14 June 2025	06 November 2025
Term start date	13 August 2025	05 January 2026

Re-Enrolment Deposit

Re-enrolment usually takes place in March. Parents are reminded to pay a THB 20,000 deposit to secure their child's enrollment for the following academic year. This deposit is non-refundable but will be deducted from the fees that need to be paid for the upcoming academic year. In case the school does not receive the re-enrolment confirmation and deposit within the deadline, the school may assume that your child will not be returning for the next academic year.

Notes and Conditions

Entry Other than at the Beginning of the Term

For students entering the school after the half-term break (Term 1: 27 October 2025 and Term 2: 20 April 2026), tuition fees are calculated by the daily rate multiplied by the number of days remaining in the term. Students entering the school before the half-term break will be charged the full amount of term fees.

Reservation Deposit

THB 75,000 This fee is required for an applicant to secure a seat in the next academic term/year. The paid deposit will be deducted from the initial fees once the tuition fee invoice is issued and a place is offered for enrollment. This deposit is **NON-REFUNDABLE** and **NON-TRANSFERABLE** should parents withdraw the application later. The deposit can be refunded if the school is unable to provide placement to students by the anticipated start date mentioned in the application. This deposit will be recognised as credits if the applicant defers the start date to the subsequent term or within one academic year. If the applicant does not meet this timeline, the application will be considered withdrawn. The school may require the applicant for a reassessment and/or interview. The school may require the deferred applicant for a reassessment and/or interview.

Waiting List Deposit

THB 30,000 **NON-REFUNDABLE** deposit is required for an applicant to be placed on the 'Waiting List'. Waiting list students are those who have successfully met all admission requirements and assessments but await availability in the programme due to limited spaces. When the place becomes available, the applicant will be contacted and asked to confirm their intention, followed by tuition and an initial fee payment within 14 days to confirm the enrolment. The paid deposit will be deducted from the initial fees once the tuition fee invoice is issued and a place is offered for enrolment.

It is important to note that placement on the waiting list does not guarantee eventual admission, as it is contingent upon vacancies in the program. This deposit is non-refundable and non-transferable should parents withdraw the application later. This deposit is refundable should the school cannot offer a place to students.

Borrowed Book/ Equipment

Please be advised that in the event a student loses or damages any library books, textbooks, or equipment that they have borrowed, the school will raise an invoice and send it to you for payment.

Notice of Withdrawal

A forty-five (45) days' advance notice in writing on the official withdrawal form is required for any student leaving the school. The official notification of withdrawal form must be completed and signed by the parent. The form can be obtained at the Admissions Department. It is not sufficient to verbally inform a member of the school or send an email to advise that a student is leaving. Where less than forty-five (45) days' notice is provided, the deposit will not be refunded. Students graduating at the end of Year 13 are exempt from this requirement to give notice.

Leaving Date	Withdrawal Notice By
End of Term 1 (December 2025)	28 October 2025
End of Term 2 (June 2026)	05 May 2026
